

### MESSAGE FROM THE HEAD

We approach the end of another very busy and successful year, culminating in our Celebration of Achievement Evening, Sports Awards Evening and action packed Activity Days. I always believe it is important to pause and look back at certain times of the year to appreciate all the amazing work, activities and opportunities our excellent students and staff have been involved in. This year seems to be even more full than normal with trips to South Africa, teams playing netball in Paris, 6 days in New York just to name a few. Students have been broadening their skills and experience by getting involved with Ten Tors, Tall Ships, public speaking, numerous sports events, Young Enterprise, Sports Ambassadors and Charity work, just to name a few. It was also good to have such an excellent OFSTED and Church School Inspection reports, to confirm we are on track to be a school which ensures that all students have an 'Outstanding' experience to enable them to make incredible progress and prepare them for a fulfilled and successful life. To support the students we ask parents to ensure their children arrive on their first day ready to learn, in uniform with all the correct equipment e.g. pens, pencils, pencil case and a ruler. I would like to finish by thanking parents and students for your support and work and wish you all a very good peaceful summer break.

### Exeter Athletics finals

Huge congratulations to our students who competed in the Exeter athletics finals. STCM students brought home 3 Golds, 1 Silver and 1 Bronze!

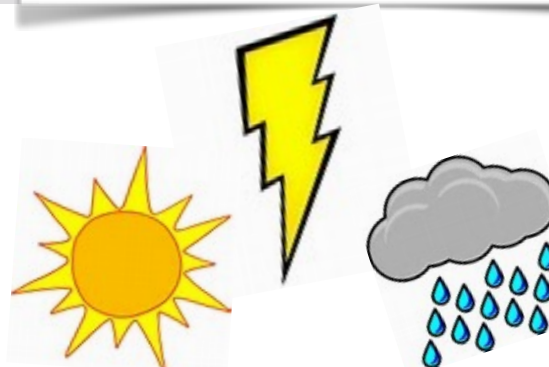

## LIFE CHANGING EXPERIENCE FOR KIERAN...

Year 10 Kieran was selected for the Morvargh Sailing Challenge (April - May). Kieran along with 8 other students from across the country, circumnavigated around the UK. With tough competition to get aboard and beating off numerous students from other schools, Kieran left Plymouth's Sutton harbour on the 2nd of April, calling in at ports; Milford Haven, Rosslare -Ireland, Dublin, Belfast, Oban Scotland, Newcastle, London and many more. Kieran finished the epic journey back in Plymouth. It was a life changing experience for Kieran who has no sailing experience before the trip. Kieran's parents and the school are extremely proud of his fantastic achievement! Well done Kieran!

## MET OFFICE STAY

Year 8 pupils were given an experience like no other this month with 10 pupils attending an overnight camp at the MET office in Exeter. Pupils were involved in a number of different hands on practical workshops and were even given the opportunity to present the weather!

## AR SUMMER TEA PARTY

Over the term, students in years 7 and 8 have been madly reading and quizzing as part of our Accelerated reader scheme. All students who reached their targets were invited to a summer tea partying in the library.

Over 80 students were invited to eat cake and sandwiches made by our fantastic catering team....Well done to all our students who reached their targets!

## GEORGIA TURNS HER LIFE AROUND THROUGH RUGBY!

Having being diagnosed with acute lymphoblastic leukaemia at the age of nine, Georgia has battled through the years of treatment and is now using rugby to help her recovery. As soon as Georgia was told she was in remission she started to focus on getting fit, and soon decided to give rugby a try at Paignton RFC. In her first season Georgia was made captain and was subsequently called up to the Devon County squad. Georgia is now three years in remission and her progress on and off the pitch in that time has astonished those close to her. Well done Georgia you have shown such courage and determination and all of us here at St Cuthbert Mayne are extremely proud of you!

## FACE TO FACE COMPETITION

The students have been working very hard on their collective admission to the local competition Face to Face, which will be held at Torre Abbey. Head down and see our fantastic piece.

## Body beautiful festival

St Cuthbert Mayne choir took part in a festival at St Matthias Church themed 'Body beautiful' this past Thursday to celebrate the many schools in our Diocese. We were the only secondary school in attendance and performed brilliantly to the many primary schools and Exeter Diocese members, despite the heat! The choir are looking forward to their next performance at the services at the end of term.
