Monday 19th April 2021

Dear Parents,

I hope you all had a fantastic Easter holiday. It has been great to welcome students back to school today. The summer term is going to be a busy but exciting term and I will say more about this in my letter to parents on Friday.

The school continues to operate under Covid-19 restrictions and we continue to follow the current Government guidance for schools. As soon as it is deemed safe to return to normal operating procedures we will do so.

I would like to thank all families who continued to test at home during the Easter holiday. We would like to encourage all students to continue home testing on a Sunday and Wednesday evening throughout the summer term. Results should continue to be uploaded to the NHS Track and Trace site, but from today **parents are no longer required to notify the school of the result, unless it is a positive result.**

If your child tests positive for Covid-19 you should alert the school immediately by sending an email to the following email address:

confirmedcase@stcm.torbay.sch.uk

Please **do not** email the school admin team or complete the form that was used previously to notify the school of the outcome of the home test result. All positive cases should be reported only by sending an email to the address above. Once an email has been sent to the address above it will generate an automatic response with a secure form for parents to complete.

Should you have any questions regarding testing at home, then please do not hesitate to contact Hannah Aske our Mass Testing Coordinator by emailing masstesting@stcm.torbay.sch.uk

Thank you for your continued support.

Yours sincerely

James Down
Headteacher
