MORNING 9.45

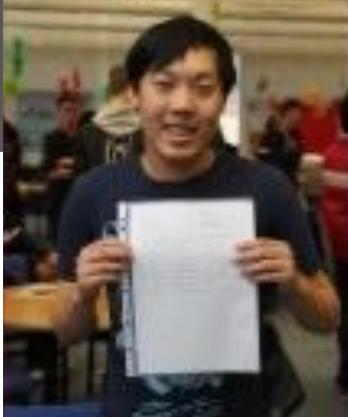

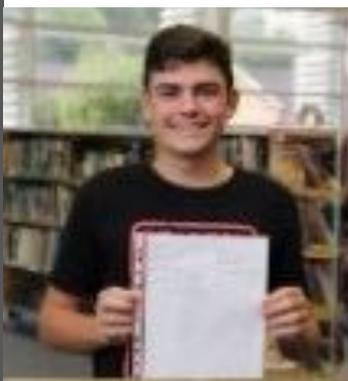

- 12pm

**HIGHEST NUMBER OF GCSE STUDENTS BEING AWARDED TOP GRADES EVER!**

Congratulations to our GCSE students who once again achieved outstanding results.

Well done!

**97% PASS RATE**

Congratulations to our Sixth Form A-Level and BTEC students who achieved outstanding results and have been accepted into the top Universities in the country.

## **Phoebe's act of kindness**

Phoebe in Year 9 was this month welcomed by the Torquay United manager to meet her favourite player and receive the new team shirt. At a Saturday match this past month she made a point of going over to the manager to say how sorry she was to hear that someone had thrown a cup of tea over him. She was very upset that it had happened to him and he in turn was overwhelmed by her compassion and so invited her back. Well done Phoebe the school is extremely proud of your compassion.

## OUR NEW HISTORY DEPARTMENT

## OUR NEW CANTEEN

Miss Tombs and Mr Rees have been working hard over the summer holidays to refurbish areas of the school. We are extremely happy with our new History department and Canteen. Be sure to keep your eyes peeled for further artwork!

# Camps international - KENYA 2018

Summer holidays 2018 saw a number of our students accompanied by Mrs Loader and Ms Hawkins head to Kenya to work with Camps international. Students had been fundraising for over 2 years to save up enough money for this once in a lifetime trip.

Students and staff spent their summer holidays building new shelters, Schools and supporting new projects to help the local community. Such a fantastic experience for our students to be a part of. The school is extremely proud of their efforts to not only raise the funds, but to support and care for others.

2020 sees the next Camps International trip head to Malaysia - for more information please have students contact Ms Hawkins.

## RACING TO SCHOOL PROGRAMME

This year, the STCM Maths department were given the opportunity to take a select group of students to Newton Abbot race course to experience Mathematics in the real world through the 'Racing to School programme'.

Our students had a fantastic day applying their Maths skills in an exciting new setting.

# WAR HORSE

A fantastic trip was had by our 9,10, 11 and 13 Performing Arts department who took their students to see Warhorse. Year 11 students will be writing a live theatre review on this performance as part of their GCSE.

## DoE Training

Well done to our amazing students and staff who are taking part in Duke of Edinburgh training this weekend. Even the weather could not stop our fantastic students and staff!

# St Cuthbert Mayne School
