

TAG | Conference

7th – 8th December 2019 | Brunel Manor, Torquay

Ages 14-21 | Full Board: £60 | Day Tickets: £40

Transforming a Generation

of young people to be

pioneers of change.

Follow.

Follow.

This year's TAG Conference will be exploring what it means to **follow** Jesus in our everyday lives. There will be worship from Joe Hardy, and guest speakers including Tim Alford and Sarah Yardley. Practical workshops will help you grow in your walk with God and bring change where you are now and in the future. Set in the beautiful grounds of Brunel Manor, Torquay it's set to be an amazing two days of going deeper.

God is interested in your "now" and your "future". Throughout the conference there will be time to explore what God is calling you to do "now" in your school, college, uni or workplace. There will also be an opportunity to explore your future vocation and how God can use you to make a difference wherever you are heading. Meet Christian leaders working in a wide range of different jobs and industries, and be inspired by how they follow Jesus and make a difference where they are.

TAG Conference is aimed at young people aged 14-21 and their youth leaders. Find out more and book online:

Featuring...

Joe Hardy

Yeovil Community Church

Sarah Yardley

Creationfest

Tim Alford

Elim - Limitless

TAG was such an important part of my leadership development as a young person.

I was inspired by the amazing leaders who spoke and ran seminars, and encouraged

me that even though I was young, God could use me in the same way.

– Rose Miles

TAG

Transforming a Generation

TAG (Transforming a Generation) is all about seeing a movement of young people across the South West. SWYM working with others want to help mobilise young people across the South West to become pioneers of change where they are right now.
