

The Autism Spectrum and Vulnerability (Parent information event)

Parent Autism Awareness Information event with a focus on supporting parents to safeguard children who may be at risk or vulnerable to exploitation or radicalisation.

This half day information event will support understanding in the following topics:-

- Autism awareness
- Who is vulnerable and at risk
- Defining radicalisation, exploitation and grooming
- Supportive strategies and early help
- Referral routes, processes and supporting agencies

The training is interactive and focussed on building confidence and awareness for parents.

The course also offers the opportunity for networking with other parents.

There is no cost to attend this course.
