Does my child have to be in school full time?

Yes. The government expects all children to be in school full time from September.

What time does my child have to be in school?

All students should be in school by 8:40am

Does my child have to wear a school uniform?

Yes. All students should return to school in full uniform. Please ensure you pay particular attention to our school uniform policy which is on the website. On days where your child has PE they will be asked to come into school in their PE kit. Students not participating in PE will be given other roles to enable them to play a full part in the lesson.

What equipment should my child bring to school?

Students should only bring the equipment they need for learning that day. The school will not be lending out any shared equipment so it is important that all students come ready to learn each day. Remember to be fully equipped for school in September so please do check that your pencil case has these items.....**calculator**, pens, pencils, sharpener, rubber and a ruler. Colour pens or pencils and highlighters can be quite useful too - to help with the presentation of your work.

Will food be served in school?

Yes. A reduced selection of food will be available for students to purchase in school during break and lunch times.

We will write with further details for parents on Friday 21st August.
