*This Google Meet session will work differently to our usual lessons. Can you switch off Smart devices, such as Alexa and Siri. You should not be accessing our Meet through a social media account, please sign out and then return to the meeting directly via your school Google account. Please be aware that these sessions are logged to keep us all safe, so please do not use any inappropriate language, make personal comments about anyone else, screen-record or screen-grab any content. We should avoid using anyone's full name, ie first name and surname, in case hackers are listening in. You need to make sure that you are appropriately dressed, none of your personal details are visible and that your background view is also clear of any personal items and offensive materials. You should 'mute' your camera at all times and "mute" your microphone when you are not speaking. I may 'mute' you too to ensure the session can run smoothly to meet our educational purpose. Does everyone agree to these ground rules before we continue? (Await 'yes' confirmation from all students or students can raise their virtual hand).*
