Dear Parent,

Covid-19 Update

On 23rd February the government published their 'Living with Covid' strategy. We have enjoyed being able to operate the school again in a way that is nearly back to normal, but we are constantly mindful that Covid-19 hasn't gone away.

Unfortunately, we have seen a significant increase in the number of students and staff testing positive for Covid-19 over the last few weeks and we are aware that rates of transmission remain high in the local community. This has resulted in higher levels of absence and unavoidable disruption to teaching and learning.

To ensure we protect the health and safety of the school community and to minimise the disruption to learning, it is really important that if your child is unwell, or tests positive for Covid-19, that they remain at home until they are well enough to return. **Please do not send your child to school if they have tested positive for Covid-19.** Parents should follow national guidance which can be found at:

www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/

If your child is unwell and not able to attend school, it is important that you contact the school to report their absence.

Thank you for your continued support.

Yours sincerely,

Mr Down
Headteacher
