Introduction

As a Christian community seeking to live out and share the Good News of Jesus Christ, the Gospel underpins all our shared activity and endeavour. We recognise all students in the community, young people, and adults as children of God. As such, each is a unique creation, gifted by God and precious. The adults in our community support and challenge each other to fulfil their responsibility to nurture and develop all of the young people in our care. We therefore choose with care the type of learning experiences we offer and the values we promote. These are inclusive of all children including those with a medical need.

1. Strategic Aim:

The Governors and Headteacher of St Cuthbert Mayne School accept their responsibility under The Health and Safety (First Aid) Regulations 1981 and acknowledge the importance of providing First Aid for employees, students and visitors within the School.

The Governors are committed to the Authority's procedure for reporting accidents and recognise their statutory duty to comply with the The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013,

The provision of first aid in the School will be in accordance with the Dfe's guidance on First Aid in School.
