

St Cuthbert Mayne School Curriculum Map 2022-2023

Department: Modern Foreign Languages

Year 11

The MFL curriculum at STCM is designed to be stimulating, engaging and challenging to all students from the first lesson, regardless of their background in language learning. We aim to create language learners who are: • enthusiastic linguists who see for themselves the point of the subject, whether they intend to pursue languages or not; • resilient, independent and intellectually curious; • confident enough to communicate in the Target Language; • aware of the culture of countries where the Target Language is spoken and respectful of differences between this culture and their own; • used to learning through the study of authentic materials; • confident in manipulating grammar and aware of the similarities and differences between grammar in the Target Language and in English; • able to apply language in new contexts; • ready and able to progress to the next stage of their language learning; • proud of their linguistic achievements. / Key Stage 4 Curriculum Summary.

During each half-term students study an integrated, thematic topic that combines an aspect of French culture or history with the core

vocabulary and grammar that they might be expected to know at this key stage, and in preparation for their Listening, Speaking, Reading and Writing exams at the end of the year.
