

ENRICHMENT WEEK 2023

Wednesday 19th July – Friday 21st July 2023

Why is Enrichment So Important?

During these days you will be offered a range of alternative learning experiences and activities outside of your normal curriculum. There will be a variety of opportunities for you to enjoy, learn new skills, develop teamwork, and boost your confidence!

This presentation includes lots of important information - please listen carefully and follow the instructions given to you

Enjoy your last 3 days; it is up to you!

For Enrichment Week this year, we are asking you to sign up to an activity that you will participate in. There is a choice between 3 day package activities and one day activities, where you will need to select an activity for each day.

Your tutor has given you a form and you are about to see the choices; make a note of the activities you would most like to do in rank order.

If your place is confirmed on a residential trip away from school please still complete the form but you only need to put this choice on your form.

If you fail to hand in the form, you will be allocated to any activity with space.

Return completed form by Friday 26th May.

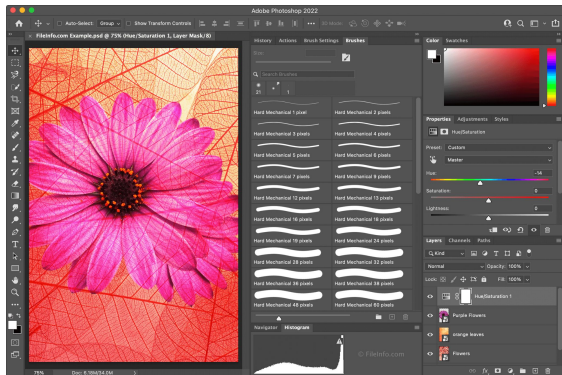

3 Day Packages

You only select 1 of these.

ACTIVITY 15 - PHILOSOPHY FILM CLUB

What will you be doing?

Do you enjoy movies? Do you enjoy discussing big questions in life like: What is real?

Do we have a soul?

How are our personalities formed?

Is our future determined or are we free to choose our own path?

What, if any, responsibility do humans have to take care of the environment?

If so, Philosophy film club will let you watch movies and take part in a discussion of these ideas within the movies. Join us for fun discussion and debate during activities week.

This activity is a **FULL DAY** workshop in school, for YEARS 7-10 in school.

If you are interested in taking part please select **ACTIVITY 15**
